

Riding on a Donkey

Were you ever in Quebec
Stowing timber on the deck?
Where ya break your bleedin neck
Riding on a donkey ?

[Chorus]

Were you ever in London town
Where the girls walk up and down
Waitin' for the boys to come to town
Riding on a donkey?

[Chorus]

Was you ever round Cape Horn
Where it's always fine and warm
Seein' the lion with a unicorn
Riding on a donkey ?

[Chorus]

And were you ever in Heron Bay
Where the folks all shout, "Hooray!"
Hey, here comes Johnny with six months' pay
Riding on a donkey.

[Chorus]

And were you ever in Montréal
I'll be going there next fall
Have some fun with a redhead gal
Riding on a donkey.

[Chorus] x 2

[Chorus]

Hey and ho and up we go
Donkey riding, donkey riding
Hey and ho and up we go
Riding on a donkey.
